You and your horse, donkey, mule or pony will ride off of Sandy Oaks Campground from the southwest end of the property directly into the Big River State Forest. The land was first acquired in 1925 as only a 200-acre refuge, but subsequent land purchases raised the total to 2,900 acres. The B.R.S.F. boasts over 8 miles of beautiful, all-weather, sand trails and large, mature trees. You may encounter the wild life here such as deer, turkey, rabbits and squirrels. Please be respectful of the state forest by staying on the designated trails, pack out what you pack in, take photos and memories but leave only hoof prints!

Sandy Oaks is also home to America's toughest motocross track! In 1977, Sandy Oaks Raceway hosted a 125cc National Pro Motocross race where Bob Hannah, Broc Glover and other big names remember Sandy Oaks as "the toughest track ever". On the 50-acre park, you'll find the notorious national motocross track, an open riding area and miles of trails. The park has a designated and arrowed kids track where ONLY 50cc and 65cc bikes are allowed. You must sign a waiver and pay a daily ride fee of \$10 (cash only) at the club house right inside the door. Failure to do so will result in trespassing. Day riders must park in the back near the machine shed.
